Ash: Ruby
Beech: Fleur
Cedar: Flora
Oak: Charlie
Willow: Liam

Golden Leaves

Ash: Aurora
Beech: William
Cedar: Georgia
Oak: Douglas
Willow: Eloise

Message from Sarah Price

The last full week of term! I can't believe we are here already. The year has been full of fantastic learning opportunities for the children and this week was no different. It was great to welcome back so many past pupils, staff and governors 150th celebrations. They all said such positive things about the school.

The comments that I heard time and time again were: the school has such a good feel to it; it feels like a really happy place. This is what we strive for so for people who know the school well to think this was just brilliant. We are currently uploading photos so check [here](#) soon to see how we celebrated.

Willow Class (Pre-school)

Hello everybody. We thought we would share a last photo of our busy learners from this term. As the term ends, we are finishing off our "Come Outside" topic by exploring endangered

animals and how they are protected. We have also been creating animal prints, looking at the similarities between dinosaurs and animals today and created animal mazes. We are practicing our leavers song (which we performed to the whole school today). We wish you a wonderful summer break and look forward to welcoming you back in September. What a wonderful play and learning year it has been!

Oak Class (Reception and Year 1)

We have had a fantastic end of term in Oak Class and enjoyed spending time in our Outdoor Area with Willow Class. Over the past couple of weeks, we have loved learning about wildlife, particularly endangered animals. We created posters to raise awareness about animals that are threatened and discussed what we can do to look after the animals in our world. During Art, this term we have been using nature to inspire our artwork through drawing, painting and sculpture. Our final book for this year, 'Oi Frog' by Kes Gray, has given us lots of opportunities to practice our rhyming skills and we enjoyed making up our own silly rhymes.

This week we were lucky enough to be part of the 150-year anniversary of our school; we celebrated by learning about life in Victorian times, making peg dolls and playing Victorian playground games. We hope that you all have a restful and enjoyable summer after all of your hard work this year!

Cedar Class (Year 2)

Cedar Class have been busy finishing off various units of work before the summer holidays. They've been redrafting and publishing informative posters for their fictional inventions inspired by 'Rosie Revere Engineer'; comparing sacred spaces for different religions; contrasting London now to before the Great Fire of London and looking at seed dispersal. We also had a fantastic day celebrating the 150th anniversary of the school on Thursday, with lots of opportunities to develop our historical enquiry skills by looking at different sources.

Beech Class (Years 3 and 4)

Beach Class have had a fantastic final full week at school. Their learning within maths has enabled them to develop an understanding of a wide range of bar

charts and line graphs. Within English, the children have been exploring a marvellous text called 'Our Tower' which has helped them to see the beauty in things that may not be sparkling on the outside. Finally, the children enjoyed celebrating 150 years of Sampford Peverell School and met many fascinating people along the way. Have a well-deserved summer break and we look forward to seeing you in September.

Ash Class (Years 5 and 6)

We have had SO many events happening at school towards the end of term with even more to come. We had the KS2 end of year production of Wind in the Willows which was a huge success with the children making everyone involved proud. The children have completed online presentations of their WWII knowledge which can be accessed on their Office365 accounts. We have also taken part in the 150th anniversary celebration and we are truly thankful for all the hard work put in by members of staff and visitors.
