Cedar: Harrison
Oak: Declan
Willow: Lydia

Message from Sarah Price

Thank you to all those who attended the Summer Fete and Sports Day. It is always great to see so many of you supporting these school events. The total raised at the Fete was £2929.54 which will be split 50/50 between the Church and the PTFA. This is an astonishing amount of money so thank you for your generosity. Pictures from the Fete can be found [here](#). We will let you know when the Sports Day and Sports Week picture are on our website. A big thank you to Mr Snow for organising such a wonderful week of sporting activities and to all the staff for their hard work and enthusiasm which made the week so successful.

The deadline for the parent/carer survey has been extended until Tuesday 9th July. We really value your feedback so please click this [link](#) to share your views.

Willow Class (Pre-school)

Hello everyone. It has been a very exciting & interesting week in Willow. We have been exploring "change" in the insect world and how we change too. We explored how insects change from one thing to another, what they eat and where they live. We also have been exploring changes for us, with going to reception or a new school in September. Our transition visits were a great success, with lots of positive chat from our transitioning children.

Oak Class (Reception and Year 1)

We had a fantastic Sports Week in Oak Class and experienced so many different sports! Over the week we participated in netball, hockey, yoga, parachute games, dodgeball and used the big gym equipment; just to name a few! We also enjoyed watching new sports such as Bobsled and wrote questions to athletes. Sports Day was a fantastic event and the children did themselves proud with their efforts. This week we have opened up our new role play area; Oak Class Animal Sanctuary. We have loved learning more about endangered species using iPads, creating animal adoption certificates, and researching different animals. After our Transition Morning on Tuesday, we are looking forward to the year ahead and experiencing new challenges.

Cedar Class (Year 2)

Cedar Class had an absolute blast during sports week and demonstrated all of our school values beautifully throughout the activities. They've settled back into our usual routines and lessons well this week and have been busy designing, building and reporting on bridges in preparation for some explanatory writing in English. We've also returned to our work on position and direction, using the language of clockwise and anti-clockwise to describe turns.

Beech Class (Years 3 and 4)

Beech Class have had a very busy and wonderful two weeks at school with activities ranging from our Sports Day event to clip and climb in Exeter. Throughout all of these activities, the children have shown immeasurable amounts of courage, resilience and teamwork to which they should feel very proud of themselves. The children have also been working very hard towards learning all of their lines for the production of *Wind in the Willows*. Finally, the children had an amazing day at the Music Mix festival where they thoroughly enjoyed a wide range music styles.

Ash Class (Years 5 and 6)

This week the children have been really busy with events both in and out of school. We have had the transition days where the children moved to their new classes for the day or their new school for Year 7. Twelve children also went to Uffculme on Wednesday to take part in a Math Challenge - one team of 4 finished 3rd overall and all the children had a great time solving a huge variety of maths problems. Our focus in school remains on maths and English in the mornings but we have switched our attention to rehearsals for the end of year production. Then, today, the children participated in a fantastic musical event at Bridewell Park called The Music Mix where children in KS2 got a chance to experience a wide range of musical activities.
