## What else have the PTFA been up to?

As the PTFA maintains close ties with Santa himself, they orchestrated a special visit to the school, where jolly old St. Nick himself graced the pupils with his presence and even left behind a present for each of the classes. A big thank you goes out to Rozina the Elf for her invaluable assistance in supporting Santa during his visit.

## Santa's Grotto Visits

A tremendous effort was poured into further fundraising endeavors, spearheaded by Cara and a dedicated team of helpers (you know who you are!). From setting up and managing the booking platform to supporting the visits, running the café, and assisting with takedown; each member played a crucial role in our success. Together, these collective efforts resulted in an impressive **£846** raised through the café and visits. Your hard work and dedication are truly commendable!

## End of Term Disco

A huge shoutout to Sarah Venn for her outstanding organisation of the end-of-term disco, along with all the helpers who contributed to its success. From setting up the venue, handling bouncer duties, selling refreshments and clearing down afterward, each volunteer played a vital role in ensuring a fantastic event. Special recognition also goes to our talented young DJs Alistair, Laurence and George for keeping the dance floor buzzing all night!

Thanks to everyone's hard work and dedication, the event generated a fantastic **£164.80!**

## Bake or donate!

We are reaching out to anyone who may have a passion for baking or a willingness to donate cakes for our PTFA café at the upcoming music concert on March 21st. If you enjoy baking or are able to contribute cakes to support our event, we would be incredibly grateful for your assistance. If you're interested in participating, please don't hesitate to get in touch.

## Investing in Learning

The PTFA has contributed funds to the school to support class trips, ensuring that every student has the opportunity to embark on enriching educational experiences outside the classroom. Furthermore, we've purchased a selection of books that were chosen by the children themselves, fostering a love for reading and providing valuable resources for their learning journeys.
